Chinese brands fully covered

# Who We Are

Trustar Auto Parts Co., Ltd. is a professional exporter of automotive parts. We go beyond the role of a supplier to serve as a **strategic partner** — offering supply-chain optimization, R&D support, quality control and one-stop foreign trade services.

Our portfolio covers engines, chassis, suspension, electronic control, braking, steering, cooling and electrical systems for Chinese-brand vehicles and buses.

- **Mission:** Provide the global automotive industry with high-quality products and innovative solutions, empowering customers to maintain a competitive edge.
- **Vision:** "Empowering Customers, Becoming a Globally Leading Auto Parts Brand Supplier."
- **Philosophy:** Quality First, Customer Centricity, Efficient Service, and Win-Win Cooperation.

**"Every single component is a promise."**

Quality-first supply for distributors, wholesalers and repair shops worldwide.

# What We Do

OEM-compatible parts for Chinese passenger cars and buses, plus EV components — combine multiple brands, models and categories in one shipment.

## Passenger Car Parts

OEM-compatible parts for Dongfeng, BYD, Geely, Chery, MG, Great Wall, Changan, Hongqi, GAC, JAC, BAIC, Wuling, Maxus, Jetour, Leapmotor and more.

## Bus & Coach Parts

Full-range parts for Yutong, Zhongtong, King Long, Golden Dragon, Higer, Ankai and more — engines, chassis, electrical and body systems.

## EV & New Energy

Charging equipment and electronic components for new-energy vehicles — Li Auto, XPeng, NIO, Leapmotor and more.

# Product Categories

Genuine-quality parts covering all major systems of Chinese-brand passenger vehicles and buses.

## Engine Systems

Engine assemblies, cylinder heads, pistons, timing kits, turbo parts, water and oil pumps.

## Chassis & Axle

Rear axles, differentials, half shafts, suspension arms, steering knuckles and frame components.

## Suspension

Shock absorbers, struts, control arms, ball joints, bushings and air suspension valves.

## Braking System

Brake pads, discs, calipers, master cylinders, boosters, ABS sensors and brake hoses.

## Steering System

Racks, tie rods, intermediate shafts, electric power steering (EPS) and steering columns.

## Cooling System

Radiators, cooling fans, thermostats, intercoolers and coolant hoses.

## Electronic Control

ECUs, sensors, ignition coils, actuators and engine management components.

## Electrical & Body

Starters, alternators, headlights, door hinges, switches, wiring and body panels.

## Clutch & Transmission

Clutch kits, pressure plates, release bearings, flywheels and transmission parts.

ICE & EV

Internal combustion and new-energy models

# EV & New-Energy Solutions

As new-energy vehicles grow across global markets, Trustar Auto Parts supplies EV charging equipment and electronic components for leading Chinese NEV brands.

## NEV brands supported

Li Auto · XPeng · NIO · Leapmotor  
plus other EV manufacturers

## EV Charging Equipment

- DC EV Charger PEVC3401 — 30 kW fast charging
- DC EV Charger PEVC3107 — 60–240 kW high-power charging
- Portable EV Charger PEVC2513 — 3.5–7 kW
- Wall-Mounted EV Charger CHR7-22 — 7–22 kW
- Wall-Mounted EV Charger PEVC2201 — 7–22 kW

## Electronic & Electrical Parts

- ECUs and electronic control modules
- Starters, alternators and charging systems
- Electric power steering components
- HVAC control modules for EV and bus systems

Same OEM-standard quality system for ICE and EV manufacturers alike.

# Bus & Coach Parts

Full-range aftermarket parts for China's leading bus and coach manufacturers — trusted by fleet operators worldwide.

TRUSTAR AUTO

TRUSTAR AUTO

TRUSTAR AUTO

TRUSTAR AUTO

## Engine & Powertrain

Diesel engine parts, water pumps, clutches, boosters, ZF transmissions and drive-line components.

## Suspension & Axle

Air suspension height-control valves, shock absorbers, axles and leveling valves.

## Electrical & HVAC

Alternators, starters, HVAC control modules, sensors and body electrical systems.

## Bus service highlights

Ankai alternator 370103347 (28V 150A) · Clutch booster 105mm · Water pump 11117198A · Air-suspension valve · ZF 6HP604C transmission · HVAC CAN module — available for Yutong, Zhongtong, King Long, Golden Dragon, Higer and Ankai.

# Hot Sale — Part 1

A selection of our best-selling, high-turnover parts. Full catalogue and OEM numbers available on request.

*Clutch Kit*

Pressure plate, disc & release bearing

*Starter Motor*

OEM-matched starters, e.g. P18-F1

*ECU*

Engine control units, e.g. DK12-10 / CK3700

*Brake Pad*

BOSCH-compatible pads for Geely and more

*Differential*

Rear-axle differential assemblies

*Headlight Assembly*

Front lamp assemblies for popular models

*Looking for a specific model or OEM number?*

# Coach & Bus Components

Verified, ready-to-ship components for Chinese coach and bus fleets, backed by fast technical support.

*Cummins Alternator*

370103347 · 28V 150A — Ankai bus

*Clutch Booster 105mm*

Hydraulic clutch servo — Ankai

*Water Pump 11117198A*

High-temp engine coolant pump

*Air-Suspension Valve*

Height control & leveling valve

*ZF 6HP604C Transmission*

6-speed automatic, 2WD gearbox unit

*HVAC CAN Module*

D4610-080500 · AC system control

**Bus-fleet guarantee:** rapid-response technical support, ample spare parts supply and professional maintenance service to ensure trouble-free vehicle operation.

# Quality Control

Quality and safety come first. Every part we ship reflects our responsibility to your business reputation.

- **Source-verified and audited suppliers** — we work with verified, audited manufacturers selected to OEM standards.
- **OEM-compatible replacement parts** — all products are manufactured strictly according to original factory standards.
- **Certified partner factories** — most facilities are certified under IATF 16949 (formerly ISO/TS 16949) or ISO 9001.
- **Strict batch quality checks** — every shipment follows strict quality inspection for performance and consistency.

## *Our commitment*

We do not push unnecessary products or inflate prices. Instead, we focus on honest recommendations, transparent quotations and reliable long-term supply.

- **Field inspection** — our experienced procurement team conducts on-site factory inspections.
- **Professional technical support** — part verification and technical guidance for every order.

IATF 16949

ISO 9001

Most partner factories hold these quality certifications.

# Warehouse & Stock

Stable supply and sufficient stock are the foundation of our one-stop sourcing solution.

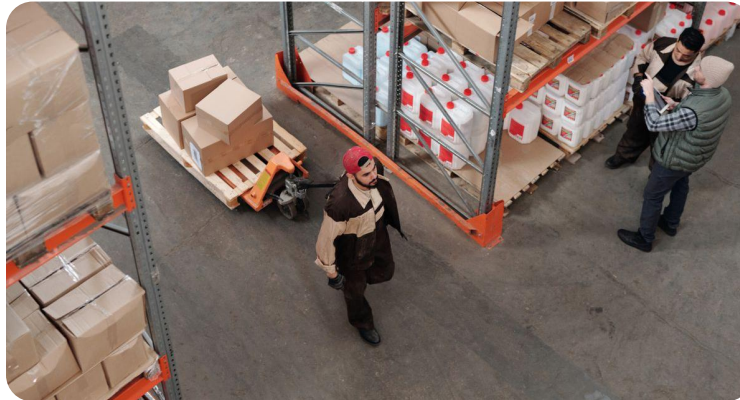

100,000+

Part items managed in our system

500+

Integrated factories & suppliers

ERP

Digital inventory & cost control

## A supply chain built for reliability

Long-term cooperation with factories and suppliers, combined orders to share better cost, and an ERP system that keeps inventory and pricing precise.

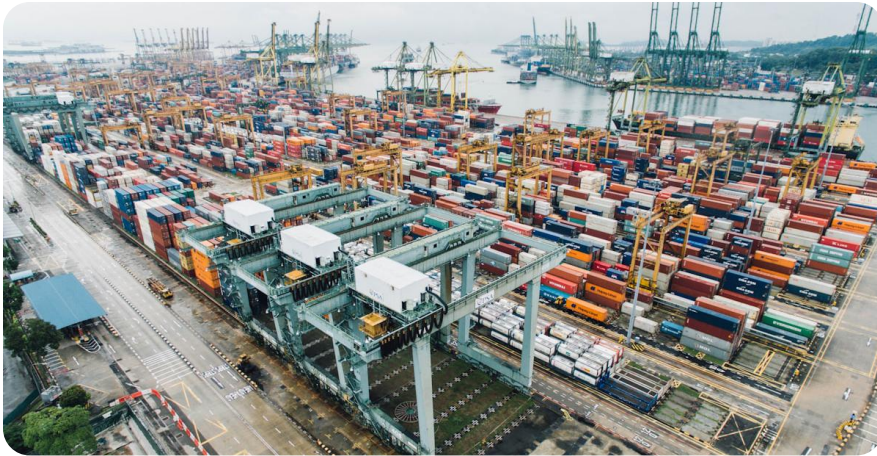

STABLE SUPPLY

SUFFICIENT STOCK

ONE-STOP SOURCING

# Logistics & Shipping

Flexible logistics solutions that fit your order size — from a single sample to full containers, delivered worldwide.

## Shipping methods we offer

- FCL — Full Container Load for volume orders
- LCL — Less-than-Container Load for mixed or medium orders
- Air freight — for urgent orders
- Express courier — small or sample shipments

## Professional packaging

- Part label & barcode system
- Unified package standard
- Secure container loading
- Professional export documents

All shipments are packed securely for safe international transit.

# Why Choose Us

A mature Chinese supplier with a professional team and proven manufacturing partnerships.

## *OEM-Standard Quality*

Products manufactured strictly to original factory standards; partner suppliers certified under IATF 16949 or ISO 9001.

## *Wide Compatibility*

Fully compatible with mainstream Chinese-brand passenger vehicles and buses, catering to diverse market needs.

## *Competitive Price*

Combining orders to share better cost, long-term factory cooperation, and ERP-supported cost control.

## *Low MOQ & Flexibility*

Small orders, sample orders and trial shipments supported — especially for new partners testing the market.

## *Customization / OEM-ODM*

Materials, dimensions and colors fine-tuned to your specification, with low MOQ and high cost-effectiveness.

## *Honest & Transparent*

No pushing of unnecessary products, no inflated prices — transparent quotations and responsible service.

## *10+ years of production-line experience*

Our cooperative manufacturing facilities operate high-end machinery manned by responsible workers, ensuring a robust guarantee of product quality. Every single component is a promise.

# What You Get with Us

Six service pillars that make Trustar Auto Parts a reliable, long-term supply partner.

## Quality Control

Experienced procurement team; cooperation with TS16949 / ISO9001-certified factories; field inspection; strict quality checks.

## Wide-Range Products

100,000+ items well managed in our system, integrated from 500+ factories and suppliers.

## Competitive Price

Order consolidation for better cost sharing, long-term factory cooperation and ERP-driven cost control.

## Professional Package

Part label & barcode system, unified packaging and secure container loading.

## OEM / ODM Service

Build business under your own brand with our OEM/ODM support and low-MOQ customization.

## After-Sales Guarantee

Rapid-response technical support, ample spare parts supply and professional maintenance service.

## Long-term, win-win cooperation

We follow an altruistic, value-first philosophy: honest recommendations, transparent quotations, stable long-term supply, market insights for partners, and reliable pricing policies. When our partners succeed, we succeed.

# How to Order

From inquiry to after-sales, a simple and transparent process designed for global partners.

## What to include in your inquiry

Vehicle brand & model

Part name or category

OEM number

Photos or VIN (optional)

**24h**

Fast response to inquiries

**1**

One-stop solution for all your Chinese-brand parts

**0**

Minimum order worry — samples & trials welcome

# Frequently Asked Questions

Quick answers to the questions we hear most from buyers around the world.

Q1

*What brands and vehicle types do you cover?*

Mainstream Chinese passenger cars, buses and NEVs — with OE-compatible parts for 21+ brands.

Q2

*What is the minimum order quantity?*

We support small orders, sample orders and trial shipments — especially for new partners.

Q3

*How do I know the part fits my vehicle?*

Share brand, model, year, OEM number or photos — we verify compatibility before quotation.

Q4

*What shipping methods and documents do you provide?*

FCL, LCL, air freight and express, with professional export documents on every order.

Q5

*Do you support OEM/ODM or private-label parts?*

Yes — materials, dimensions and colors can be customized with a low MOQ.

Q6

*What if a part fails or does not fit?*

Our after-sales team provides part verification, technical support and replacement solutions.

## Still have questions?
